

Marie Seiler appointed Head Real Estate Portfolio Management for third-party asset management business of Swiss Life Asset Managers in Switzerland

8 December 2020

Marie Seiler will assume the position of Head Real Estate Portfolio Management for third-party asset management business in Switzerland during the first half of 2021. In her new function, she will focus on the further development and implementation of the real estate portfolio management strategy in Switzerland.

"I am very pleased that with Marie Seiler we have gained a proven and experienced expert as Head Real Estate Portfolio Management for third-party asset management business. She brings a lot of knowledge and experience in real estate asset management. I am pleased that Marie Seiler and her team at Swiss Life Asset Managers will contribute and advance successfully our strategy and the expansion of our real estate activities in Switzerland," says Renato Piffaretti, Head Real Estate Switzerland.

Marie Seiler will report directly to Renato Piffaretti, Head Real Estate Switzerland and work in Zurich. She joins Swiss Life Asset Managers from PwC Switzerland, where she spent over 15 years working for the Real Estate Advisory Team in Zurich, Geneva and Basel. Since 2019, she has been a partner at PwC Switzerland and has headed the Real Estate Advisory Team in Zurich and Geneva since 2014. Prior to that, she was responsible for the Real Estate Advisory Team in Basel and Zurich for four years. She began her career in 2005 as a consultant at PwC Switzerland in Basel. She holds a degree in economics from Albert-Ludwig-University in

Freiburg im Breisgau, Germany and is a CFA Chartered Financial Analyst.

Swiss Life is the owner of the largest privately held real estate portfolio in Switzerland. Assets under management amount to CHF 35.6 bn. as at 30 June 2020, of which CHF 7.6 bn. for third-party asset management in Switzerland.

Swiss Life Asset Managers

Swiss Life Asset Managers has more than 160 years of experience in managing the assets of the Swiss Life Group. This insurance background has exerted a key influence on the investment philosophy of Swiss Life Asset Managers, which is governed by such principles as value preservation, the generation of consistent and sustainable performance and a responsible approach to risks. That's how we lay the groundwork for our clients to make solid, long-term plans – in self-determination and with financial confidence. Swiss Life Asset Managers offers this proven approach to third-party clients in Switzerland, France, Germany, Luxembourg and the UK.

As at 30 June 2020 assets under management for third-party clients amount to CHF 82.9 billion. Together with insurance mandates for the Swiss Life Group, total assets under management at Swiss Life Asset Managers stood at CHF 256.0 billion. Swiss Life Asset Managers is a leading real estate manager in Europe¹. Of the assets totaling CHF 256.0 billion, CHF 71.4 billion is invested in real estate. In addition, Swiss Life Asset Managers has real estate under administration of CHF 28.3 billion through its subsidiaries Livit and Corpus Sireo. Total real estate under management and administration at the end of June 2020 thus came to CHF 99.7 billion.

Swiss Life Asset Managers employs more than 2200 people in Europe.
